TEACHER TRAINING

GLOBAL CITIZENSHIP FOR PRIMARY TEACHERS

The Global Citizenship (GC) for Primary Teachers is a comprehensive program designed to equip primary teachers with the necessary knowledge and skills to integrate global citizenship education and sustainability into their classrooms. With a total duration of 20 hours spread across 10 engaging training sessions, this course provides practical strategies and resources to incorporate global citizenship concepts across traditional primary subjects.

Course summary

The GC for Primary Teachers training course places a strong emphasis on sustainability and empowers educators to inspire and engage students in becoming active global citizens. Throughout the course, participants will learn how to seamlessly integrate global citizenship topics into various subjects, fostering a holistic and interdisciplinary approach to education.

Session Breakdown:

Introduction to Global Citizenship: Understanding the key concepts and principles of global citizenship and its relevance in primary education.

Integrating Sustainability Across Subjects: Exploring practical strategies to infuse sustainability themes into traditional primary subjects such as math, science, and language arts.

Empowering Students: Techniques for empowering students to take ownership of their learning and become active participants in addressing global challenges.

Project-Based Learning: Discovering the power of project-based learning in promoting global citizenship and sustainability. Exploring project ideas and implementation strategies.

Cultural Awareness and Inclusivity: Developing strategies to foster cultural understanding and appreciation within the classroom, promoting empathy and inclusivity.

Local and Global Issues: Investigating local and global issues through interactive activities, discussions, and case studies.

Ethical Decision-Making: Guiding students in developing critical thinking and ethical decision-making skills when facing global challenges.

Environmental Stewardship: Emphasizing the importance of environmental stewardship and practical steps to encourage sustainable practices.

Social Justice and Equity: Examining social justice issues and promoting equity within the classroom and beyond.

Assessing Global Citizenship: Strategies for assessing and evaluating students' progress in developing global citizenship competencies.

Type of certification awarded

Attendance certificate detailing topics covered, course content and the number of training hours.
